

# Forum on Architecture + Design

Oct. 2-4

2019 Sponsorship Opportunities

The Forum on Architecture + Design is AIA Philadelphia's regional education and expo conference. The Forum focuses on curating multidisciplinary educational content for designers, civic leaders, product manufacturers, technology providers, and real estate developers - all the industries that contribute to shaping our built environment.

### **The Forum will offer:**

- over 30 accredited continuing education programs and tours,
- Compelling keynote sessions featuring nationally/internationally recognized industry leaders,
- a two-day expo, and
- several opportunities to network and socialize with leaders in the building and design professions.

### **NEW LOCATION!**

The 2019 Forum will take place at **Convene CityView**, which is conveniently located in Center City Philadelphia in the Duane Morris Building, 30 S. 17<sup>th</sup> Street, Philadelphia, PA 19103. Convene is a state-of-the-art meeting venue with tremendous views of Center City Philadelphia in every room. The spacious, yet centralized venue allows for many different activities in the same space: expo halls, quiet areas for a quick phone call, wifi throughout all of the classrooms, unlimited snacks and refreshments in between breakfast and lunch, and a variety of spaces for networking and learning.

### **Who Attends?**

80% architects and 20% other design and real estate industry professionals: planners, landscape architects, contractors, trades, civic leaders, and engineers.

### **Why Should I Exhibit?**

We are looking for the people and companies that not only have compelling content to share with our members but also to create unique experiences for our attendees. Let us help you make a lasting impact on your target audiences.

- Showcase your new products or technology
- Townhall style speaking opportunities for exhibitors during lunch
- Create nano sessions for LU credits and attract attendees to your display
- Opportunity to place a promotional item in attendee bags (please coordinate with AIA Philadelphia staff)
- Limited number of exhibitor spaces = more time for you to connect with attendees

AIA Philadelphia staff and committee volunteers are excited to work with you. But don't delay, only 12 spots available so reserve your space (first come first serve) before they are SOLD OUT!

### **Why Should I Sponsor?**

The Forum will put your company's name, logo, and people in front of the leaders in the design industry in Philadelphia. The Forum will be an engaging and unique space for your company to build and strengthen the relationships you need to grow your business. AIA Philadelphia members look forward to our conference every year because of the high quality

of the education and the opportunity to network with their colleagues across the industry – this is the event to bring your content, products, and services to our members.

In addition, AIA Philadelphia's robust communications plan will put your brand in front of top decision-makers in the AEC industry outside of the Forum in the weeks leading up to the conference. Our weekly email newsletter is sent to AIA Philadelphia individual members, member firms, allied member firms as well as other subscribers and has a 30% open-rate. In addition, content from our newsletter is pushed to nearly 20,000 followers of our social media accounts and our current website averages 8,700 visitors and over 28,000-page views per month.

We have plenty of options for your company to get involved. General Sponsorships will put your brand front and center for the Forum attendees and Exclusive Experience Sponsorships that are sure to be memorable for those that participate. If you have ideas on something new and exciting to offer, please don't hesitate to contact us to discuss how we can customize your participation.
